WALLETMATE

Protractor

This clever product combines precise angle measurement with durable construction in a sleek, compact design that fits in pencil cases, desk drawers, or project folders for convenient portability. The large branding area makes this accessory perfect for educational promotions, student welcome packs, corporate training gifts, and conference giveaways.

Key Features

- ▶ **Pocket-sized convenience** – Credit card sized protractor with ruler
- ▶ **2.3mm thick protractor in a credit card style shape**
- ▶ **Visible branding areas available on one side**
- ▶ **Always made in the UK from recycled plastic**
- ▶ **Digitally printed CMYK as standard** – Vibrant, permanent full-colour branding
