Other rHIPS.b and recycled colours available within 3 weeks.

*What is rHIPS.b? It is 100% recycled and biodegradable and made from recycled polymers including all waste products with a biodegradable additive, that speeds up the biodegradable process of plastic. Biodegradation testing in line with ASTM D5511 showed 6.4% biodegradation after 45 days of testing. ASTM D5511 is the Industry Standard Test Method for Determining Anaerobic Biodegradation of Plastic Materials Under High-Solids Anaerobic-Digestion Conditions. **Quantity limits apply.
